

UNIVERSITY OF NORTH CAROLINA  
CHARLOTTE

SCHOOL OF  
DATA SCIENCE

Welcome to summer! For those of you preparing for summer internships, we wish you the best of luck in your placements. This edition of the SDS newsletters has information regarding upcoming summer job fairs and job reports from [NCTECH](#). We also have an invitation to engage in an SDS Student Leadership Summit on June 22nd. Finally, information regarding fall registration, how to apply to graduate, and our usual job and internship postings.

# Important INFORMATION

## Fall Registration: NOW Open!

It's time to register for Fall classes! Check your account for any holds. *Graduate students* can submit their authorization requests for Fall 2022 [HERE](#). *Undergraduates*, please reach out to your advisor with any questions.

SPECIAL TOPICS COURSES

## On Track To Graduate?

**DegreeWorks** is a web-based planning tool that provides an accurate display of required coursework and helps students monitor their progress towards graduation. Students can access their real-time audit in DegreeWorks via [my.uncc.edu](http://my.uncc.edu) and should routinely check their progress towards degree completion.

For any required courses that are in the Fall Through or Not Counted sections of DegreeWorks submit an Academic Petition that requests the courses be counted towards your program requirements.

If you believe your audit contains errors or the requirements do not match the catalog, students should contact [Josh Hertel](#) or [Carly Mahedy](#).

***If you began in the Certificate program and transferred to the Master's program:***

Please review your DegreeWorks for both your certificate and master's program and complete an application to graduate from both programs.

---

## Questions Regarding Your Tuition Bill?

As many of you know, graduate students enrolled in the DSBA and HIA programs are charged a special [School-Based Tuition Increment \(SBTI\)](#). This is an additional per-term assessment based on the number of enrolled credit hours each semester. Per the SDS policy, students enrolled concurrently in the Graduate Certificate and Master's degree should only be charged the SBTI once. In summer 2021 there was a change in how these fees were coded. As a result, some students may see a second charge for the increments if they are enrolled in more than one academic program. **PLEASE CHECK YOUR BILL FOR ERRORS.** We are in the process of correcting summer bills this week. If you feel that there is an error, please contact [Student Accounts](#) first to confirm the error. Once confirmed, you can contact [Carly Mahedy](#) to request a new waiver.

Graduate students enrolled in **dual-degree programs are initially billed tuition increments for both programs.** However, SDS and our partner programs have agreed to waive one of the increments per term. Students are responsible for contacting the appropriate program to request a waiver for one of the tuition increments each semester, ideally at the time of registration.

---

## Summer & Fall 2022 Assistantship Applications NOW OPEN!

The SDS is now accepting Graduate Assistantship applications for the Summer 2022 term and Fall 2022 semester. Students actively enrolled, as well as newly admitted students in the DSBA or HIA program, are eligible to apply. SDS-funded Assistantships are usually 10 or 20-hours a week assignments. The SDS has special requirements for students holding these positions. You can read more on your respective program's website under the "Current Student" tab.

## The CGLL Seeks a Global Niner GA for the 2022-23 Year!

Are you outgoing, passionate about grad student success, and plugged into the international student community? Then you might be a great fit for the Global Niner GA position. This person is responsible for creating and supporting programming tailored specifically for international graduate students and will work on other diversity-related initiatives. Applicants must have a minimum 3.0 GPA and strong written communication skills. 20 hours per week. Please read more and apply through [Hire-A-Niner!](#)

## Student Legal Services is Now Open!

UNC Charlotte Student Legal Services, Inc. (SLS) provides free legal advice, limited representation, and resources to enrolled students. SLS is also available for presentations to student organizations and classes to educate students on their rights and responsibilities under the law. Visit them at [studentlegal.charlotte.edu](http://studentlegal.charlotte.edu)!

## IMPORTANT DATES

- [June 22](#): Student Leadership Summit
- [June 29](#): Last day to apply for Summer graduation
- [June 30 - July 2](#): No Classes

Data Matters Short Courses - August 8-12

Data Matters™ is a week-long series of one and two-day courses aimed at students and professionals in business, research, and government. It is sponsored by the Odum Institute for Research in Social Science at UNC-Chapel Hill, the National Consortium for Data Science, and RENCi. The short course series gives students the chance to learn about a wide range of topics in data science, analytics, visualization, curation, and more from expert instructors. The event will take place during **August 8 - 12, 2022**. It will be **virtual via zoom**.

Registration is now open. Reserve your spot now!
